

HAVE YOU TAKEN THE STAMP TEST PRIOR TO COMING TO UI? HAVE YOU EARNED THE SEAL OF BILITERACY?

CHINESE, FRENCH, GERMAN, JAPANESE, OR SPANISH

YES

Explore these easy pathways into language programs at the University of Idaho! Earn a Language Minor in some cases in under ONE year or a Language Major in two to three years!

HOW?

Through **Avant Proficiency Testing** or the **Global Seal of Biliteracy** you can receive **up to 16 college credit hours FREE*** and easily complete a language major or minor during your time at the University of Idaho.

If you have already taken the **Avant STAMP 4S, you will need to provide the university with test scores. This can be done by securely sending a score report through Credly. Contact Avant Assessment at credentials@avantassessment.com to pay the processing fee and receive your Credly badge.*

If you have not taken an **Avant STAMP 4S proficiency test yet, you will also need to pay for the test. Upon taking the **Avant STAMP 4S** proficiency test, students may purchase a Credly badge that will allow them to send a transcript with their test scores to the University for evaluation.*

WHAT IS THE BENEFIT FOR ME? For example, if you tested at Intermediate-Mid or higher on the **Avant STAMP 4S** proficiency test or received a **Global Seal of Biliteracy*****, you can test out of four levels of language courses and receive 16 credit hours on your transcript and then enroll in a 300-level language course at the University of Idaho! This is only **THREE** upper-level language courses away from a Minor, which can be completed in **less than ONE year**.

**** The Global Seal of Biliteracy Certificate or the Avant Test scores must be dated within 2 years of your application.*
